1.02 And whereas it is now desirable that methods of bargaining and matters pertaining to the working conditions of the employees be drawn up in Agreement.

NOW THEREFORE, the parties agree as follows:

ARTICLE 2 - RECOGNITION

2.01 The Employer recognizes the Canadian Staff Union (Union) as the sole and exclusive bargaining agent for employees of the Employer save and except exempt employees in the Human Resources Department, and those employees covered by the Collective Agreements between the Employer and the following unions:

- (a) Canadian Staff Union, National Office Component;
- (b) The Canadian Office and Professional Employees Union, Local 491;
- (c) UNIFOR, Local 2013;

- (e) Service Employees International Union, Local 2;
- (f) Confidential Employees Union comprised of the following positions at the National Office in Ottawa; Managing Directors, Executive Assistants, Administrative Officers, Administrative Assistants in the National President's Office, Administrative Assistants in the National Secretary Treasury's Office, Assistant Pension Administrative Agent, and Executive Secretaries, Human Resources;

And hereby consents and agrees to negotiate with the Union, or any of its authorized committees, concerning all matters affecting the relationship between the parties to this Agreement, looking towards a peaceful and amicable settlement of any differences that may arise between them.

2.02 No employee shall be required or permitted to make any written or verbal agreement with the Employer or the Employer's representatives which conflict with the terms of this Agreement.

ARTICLE 2 - RECOGNITION (cont'd)

- 2.03** It is understood and agreed by the parties hereto that this Agreement is subject to and applicable under the provisions of the Ontario Labour Relations Act, except in the case of CSU Local 1-BC and CSU Local 1-NL where the Agreement is subject to and applicable under the provisions of their respective provincial Labour Relations statute.
- 2.04** Should the Union change its name, affiliate or merge with any other union, or group of unions, preferably within the CLC, the resulting entity shall retain all privileges and rights of the former union, and the existing Collective Agreement shall remain in force.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Union recognizes that it is the function of the Employer to exercise the regular and customary function of Management and to direct the working forces of the Employer, subject to the terms of this Agreement. The Employer also has the right to determine the nature of a vacancy, to transfer staff or re-allocate servicing districts or assignments provided, however, that in transfer or re-allocation of servicing districts or assignments, such changes will be made only when the needs of the Canadian Union require it; however, when making such changes due recognition will be given to the seniority of employees affected. It is understood that the employees thus affected will be notified in advance in order that they may, if they so desire, make representation to the Employer through the Union. It is further understood that transfers will not be made for disciplinary purposes.

The Employer shall not exercise its rights to direct the working force in an arbitrary and discriminatory manner, nor shall these rights be used in a manner which would deprive present employees of their employment, unless through just cause, subject to the terms of this Agreement.

3.02 In the exercise of management's rights, and in the conduct of the parties under the terms of this Agreement, there shall be no discrimination on the basis of any of the prohibited grounds outlined in Article 25.02.

ARTICLE 4 - UNION SECURITY

4.01 All Employees to be Members

All employees of the Employer, as a condition of continuing employment, shall become and remain members in good standing of the Union, according to the Constitution and By-Laws of the Union. All future employees of the Employer shall, as a condition of continued employment, become and remain members in good standing in the Union from the date of hire.

4.02 The Employer shall deduct from every employee, any monthly dues, assessments and initiations, in accordance with the Union Constitution and By-Laws, and owing by him/her to the Union.

4.03 Deductions shall be made from the payroll period at the end of each month and shall be forwarded to the Secretary-Treasurer of the Union not later than the 15th day of the month following, accompanied by a list of the names of all employees from whose wages the deductions have been made.

ARTICLE 5 - CORRESPONDENCE

- 5.01** All correspondence between the parties, arising out of this Agreement or incidental thereto, shall pass to and from the National Officers or their designates and the President of the Union with copies to be forwarded to the Table Officers of the Executive of the Canadian Staff Union.
- 5.02** The Employer will forward to the President, with copies to the Table Officers of the Executive of the Canadian Staff Union, the name and address of all newly hired employees at the time of commencement of employment with the Employer. The Employer further agrees to inform the Union in the form of a letter of the name of any employee leaving the employ and informing of the reason for the severance of employment when same occurs. The foregoing information shall be provided electronically.
- 5.03** Any correspondence between CUPE and any member of the bargaining unit arising out of this agreement or incidental thereto shall be copied to the Table Officers of the Union Executive. This correspondence may be electronic where applicable.

ARTICLE 6 - BARGAINING AND LABOUR-MANAGEMENT COMMITTEES

6.01 The Employer agrees to recognize a committee of up to eight (8) members selected by the Union as their committee representing CSU, Local 1-BC, and Local 1-NL for bargaining and handling of other matters arising out of the Agreement. Such members shall suffer no loss of salary carrying out these functions while meeting with management.

6.02 In the event either party wishes to call a meeting of the Committee, the meeting shall be held within sixty (60) calendar days at a time and place fixed by mutual agreement.

6.03 The Employer shall make available to the Union, on request, information required by the Union, such as, positions in the bargaining unit, job classifications, wage rates, pension and welfare plans.

6.04 Labour-Management Committee

It is agreed and understood that the present Labour-Management Committee of CUPE and CSU will make every effort to schedule meetings to deal with identified issues and attempt to resolve issues before a formal grievance is submitted.

The parties agree to schedule a minimum of two (2) Labour-Management Committee meetings per year, one of which will be before June 30th, and one of which will be before December 31st.

Agenda items are to be exchanged at least three (3) weeks in advance of each meeting.

Approved minutes of all Labour-Management Committee meetings will be circulated with copies to the Union and the Employer.

ARTICLE 7 - RESOLUTIONS AND REPORTS OF THE BOARD

- 7.01** Copies of all changes in policies or rules and regulations adopted by the Board, which affect the members of the Union, are to be forwarded to the Union.

ARTICLE 8 - GRIEVANCE PROCEDURE

8.01 Definition of Grievance

A grievance shall be defined as a difference arising between the Employer and any employee or the Union, relating to the interpretation, application or administration of this Agreement, including any questions as to whether the Employer has acted unjustly or whether a matter is arbitrable.

8.02 It is agreed and understood that both parties recognize that the final resolve of the grievance procedure should be undertaken without any undue delay. It is in the best interest of CUPE and CSU to bring about a better understanding of both parties' positions on matters arising from the Collective Agreement.

8.03 For the purpose of processing grievances, the President, Vice-President and Chief Steward shall comprise the National Grievance Committee. Two (2) members appointed by the Union shall comprise the Regional Grievance Committee. When an employee has a grievance the specifics of the grievance shall first be placed in writing and directed to the Regional Vice-President.

8.04 Step 1:

Within five (5) months of the occurrence of the circumstances that gave rise to the grievance, or of the Union's or employee's knowledge of such circumstances, the Union Representative shall forward the grievance to the appropriate Director. A written reply to the grievance shall be forwarded to the Union within fifteen (15) working days of the grievance being received.

Step 2:

If this does not resolve the grievance, a meeting shall be established between the appropriate Managing Director and/or the Director of Labour Relations, and the Grievance Committee of the Union within twenty (20) working days to attempt to settle the grievance. A written decision shall be communicated to the Grievance Committee within fifteen (15) working days of the meeting. Failing settlement, the grievance may then become the subject of arbitration. (Provided that by mutual written consent of the parties, said meeting may be waived, and the matter remitted directly to arbitration. Further provided that the parties by mutual agreement may refer the grievance to the next scheduled Labour-Management Committee meeting on a without prejudice basis to attempt to resolve the matter.)

ARTICLE 8 - GRIEVANCE PROCEDURE (cont'd)

Step 3:

- (a) The parties will select a mutually acceptable arbitrator from the region where the grievance originated unless otherwise agreed. If no agreement is reached, the parties shall ask the Provincial Department of Labour where the grievance originated to appoint an arbitrator.
- (b) The parties agree that the applicable Labour Relations Act shall govern the arbitrator in the resolution of the grievance and the parties in the enforcement of the arbitrator's award.
- (c) For greater clarification, the expedited arbitration section of the applicable Labour Relations Act shall apply. A grievance can be referred to arbitration on an expedited basis only within the ninety (90) day period following the referral to Step 2. The protocols specified in the Ontario Labour Relations Act shall apply in provinces where the Labour Relations Act is silent on expedited arbitrations.

8.05 In determining any grievance arising out of a claim of discharge or other discipline, the arbitrator may dispose of the claim by affirming management's actions and dismissing the grievance, by setting aside the disciplinary action involved and restoring the grievor to his/her former position, with or without compensation, by substituting a lesser or different penalty for the discharge or discipline, or in such other manner as may in the opinion of the arbitrator be justified and equitable.

8.06 The expenses of the arbitrator shall be borne in equal amount by the Employer and the Union.

8.07 The decision of the arbitrator shall be an order of compliance, final, binding and enforceable by both parties to this Agreement. Should the parties disagree as to the meaning of the arbitrator's decision, either party may apply to the arbitrator to clarify the decision, which shall be done within five (5) calendar days.

8.08 Replies in Writing

Replies to grievances shall be in writing at all stages. The grievor shall be copied on all replies.

8.09 Facilities for Grievance

The Employer shall supply the necessary facilities for the grievance meetings.

ARTICLE 8 - GRIEVANCE PROCEDURE (cont'd)

8.10 Supplementary Agreements

Supplementary agreements, if any, upon ratification by both parties to this Agreement shall form part of this Agreement and are subject to the grievance and arbitration procedure.

8.11 Time Limitations

Wherever time limitations are provided in this Article, such limitations may be extended by the agreement of the parties or the arbitrator.

8.12 Technical Objections to Grievances

No grievance will be defeated or disallowed by reason of any formal or technical objection, or defect in form.

ARTICLE 9 - DISCHARGE, SUSPENSION AND DISCIPLINE

9.01 Discipline or Discharge

- (a) When any person or group of persons make written slanderous or derogatory statements pertaining to any member of the Canadian Staff Union, the appropriate Managing Director or designate shall immediately forward to the employee concerned, and the Union, in writing, a copy of such statements and their source, and shall advise if an investigation will be conducted. In the event the Employer initiates a disciplinary action, the employee shall be notified in writing by the Employer, with full disclosure of the reasons, grounds for action and/or penalty, with a copy to the Secretary of the Union.
- (b) Any verbal complaint from any person or group of persons which may give rise to any disciplinary action against an employee must be put in writing by the complainant before any such disciplinary action is undertaken.
- (c) Any employee appearing before the Employer or Employer representative as a witness in an investigation may choose to be accompanied by a representative of the Union.

9.02 Unjust Suspension or Discharge

Should it be found upon investigation that an employee has been unjustly suspended, discharged or disciplined, such employee shall be immediately reinstated in his/her former position, without loss of seniority, and shall be compensated for all time lost in an amount equal to his/her normal earnings plus interest, or by any other arrangement as to compensation which is just and equitable in the opinion of the parties or in the opinion of the arbitrator if the matter is referred to such arbitrator.

- 9.03** The Employer affirms its commitment to the principle of progressive discipline, except in cases of extreme misconduct. There shall be no deduction of salary or benefits from an employee suspended for five (5) days or less on a first occasion until such time as any grievance arising from the suspension has been resolved.

- 9.04** (a) The parties agree, without prejudice to the right of the Employer to discipline and discharge for cause, and without limiting the right of the Employer to sever the employment relationship by means of a discharge, the Employer will pay employee benefit premiums as per Article 18 and pension premiums as provided in this Agreement for a discharged person who files a grievance within the time limits provided, from the time of filing until an Arbitration Board rules on the grievance; if and only if the discharged person executes a legally-binding undertaking acceptable in form to the Employer guaranteeing that he/she will pay back the Employer's full outlay on such benefit premiums should the discharged person not be reinstated by the Arbitration Board, or the Employer's full outlay on such benefit premiums for any period of suspension otherwise imposed by the Arbitration Board.

ARTICLE 9 - DISCHARGE, SUSPENSION AND DISCIPLINE (cont'd)

- (b) The parties further agree that similar terms re: employee benefit premiums as per (a) above shall apply to employees suspended without pay, on the same without-prejudice basis as set out above and only in cases which fall within the provisos set out above respecting a legally-binding undertaking.

9.05 Burden of Proof at Arbitration Hearings

The burden of proof of just cause shall rest with the Employer in discipline cases. Evidence shall be limited to the grounds stated in the discipline notice to the employee.

- 9.06** Any employee appearing before the Employer or Employer representative for disciplinary measures may be represented by an officer of the Union.

9.07 Crossing of Picket Lines

Employees shall have the right to refrain from crossing picket lines.

To refrain from crossing a picket line shall not be considered a violation of this Agreement, nor shall it be grounds for disciplinary action.

9.08 Removal from File

All written documents in an employee's file of a disciplinary nature shall be removed from the file after twelve (12) months.

9.09 Personnel File

An employee or his/her designate has the right to examine his/her personnel file and copy any part thereof upon request provided a duly authorized representative of the Employer is present.

- 9.10** The recognized personnel file of an employee shall be located in the Human Resources Department. In order to ensure and maintain the confidential aspect of these files, they shall be kept by the Managing Director of this Department in a secure location.

ARTICLE 10 - SENIORITY

- 10.01** (a) Seniority is defined as the length of service with the Employer in any CSU bargaining unit. Seniority shall be a major factor in determining preference and priority for promotion, transfer, layoffs, recall and demotion.
- (b) Time spent as employees of the Quebec Council shall be recognized for all purposes except pension, provided the accrued costs in the form of funds are transferred to the National Union at the time of transfer.
- (c) Seniority previously earned by current bargaining unit members in the COPE 491 or CEU bargaining units prior to October 22, 2011 shall continue to be recognized and included as CSU seniority.

10.02 Temporary Employees

- (a) A temporary employee, under this Agreement, means those employed for a specific servicing or organizing job of less than six (6) months duration and shall be entitled to all benefits of this Agreement, except where prevented by the carrier. Notice will be given to the Union of all temporary employees, the reason, and the approximate duration of employment. The six (6) month period may be extended by mutual agreement.

Transportation will be provided to temporary employees in the form of (a) leased car, or (b) mileage allowance, or (c) car allowance, choice to be determined at the reasonable discretion of the Employer. A copy of the current Transportation Policy shall be provided to temporary employees upon hiring.

- (b) Temporary employees as defined in Article 10.02 (a) shall have seniority for bidding purposes for positions covered under the Collective Agreement as follows:
- (i) All service worked from the original date of hire provided there has not been a break in service of more than five hundred and fifty (550) days.
- (ii) In the event there is a break in service of 30 days or less, such time shall be considered as continuous service.
- (iii) If there is a break in service over 30 calendar days, such time will not contribute to service, and seniority date will be adjusted accordingly.
- (iv) Affected temporary employees will be notified of any extensions to their temporary assignments a minimum of (3) three weeks prior to the completion of their assignment where reasonably possible.
- (c) All benefits of the Collective Agreement where applicable shall be provided to all temporary employees. For the purpose of this clause, benefits shall mean the present CUPE benefits or a billing for benefits from the employee's employer in order to maintain benefits during any leave.

ARTICLE 10 - SENIORITY (cont'd)

- (d) The Employer shall provide to the Union a temporary seniority list twice a year, in June and December, in an electronic version.
- (e) Where temporary employees do not receive an advance on expenses, they shall be entitled to submit expense claims on a bi-weekly basis. Expenses shall be reimbursed within thirty (30) days of receipt of the claim by National Office.
- (f) **Training**

Temporary employees will be required to take training and orientation, as deemed necessary by the Regional Director or designate to perform the duties of their temporary assignment. Such training will be in areas where they have not had sufficient training and/or experience prior to their appointment.

The intent is to train and assist in the development of temporary staff with the goal being their meeting the qualifications of the servicing representative position. Areas of training and/or experience shall include but not be limited to: local union communication and mobilization, negotiating, grievance handling, strikes, arbitration, mediation, conciliation labour laws, CUPE policies, equity issues, coalition building, political action, crisis intervention, and team building.

Identified training will be provided to temporary employees in a timely manner. Training will be completed prior to the expiration of the temporary assignment in the event the assignment is of sufficient duration.

Temporary employees who successfully complete the identified required course of training and orientation will be deemed qualified for the purpose of Article 11.03 (a). In no circumstance will the training period exceed twelve (12) cumulative months of service.

10.03 Seniority List

The Employer shall maintain Seniority List showing the date upon which each employee's service commenced. An up-to-date seniority list shall be sent to all employees annually (not later than March 31st of each year) in an electronic form. Such list shall form part of this Agreement. The Employer shall also provide the Union with a blended permanent employee and temporary employee seniority list, not later than March 31st of each year.

ARTICLE 10 - SENIORITY (cont'd)

10.04 Probationary Employees

Newly hired permanent employees shall be considered on a probationary basis for a period of six (6) months from the date of appointment.

A temporary employee who attains eighteen (18) months of total temporary seniority at least six (6) months of which are continuous, will be deemed to have completed the probationary period upon appointment to a permanent position.

During the probationary period, employees shall be entitled to all rights and privileges of this Agreement. The employment of such employees may be terminated at any time during the probationary period for just cause.

10.05 Loss of Seniority Rights

Employees shall not lose seniority if they are absent from work because of sickness, long term disability, accident, lay-off, or leave of absence approved by the Employer.

Employees shall only lose their seniority in the event that they:

- (a) are discharged for just cause and are not reinstated;
- (b) resign in writing and do not withdraw within forty-eight (48) hours;
- (c) fail to return to work within fifteen (15) calendar days following lay-off and after being notified by registered mail to do so, unless through sickness or other reasonable grounds. It shall be the responsibility of the employee to keep the Employer informed of his/her current address;

10.06 Retention of Rights and Privileges

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES

11.01 Job Postings

- (a) When a vacancy occurs or a new position is created, either inside or outside of the bargaining unit, the Employer will provide job postings by e-mail to all active and inactive employees except where a hard copy is requested by an inactive employee. Such postings shall be in effect for a minimum of three (3) weeks, in order that they may apply in writing for the job if they so desire.

If the location of a posted position is subsequently changed before an appointment to the position has been made, the posting will be withdrawn and a revised posting will be issued.

The foregoing does not apply to positions within the Quebec Region.

Job postings for the Quebec Region will be posted in the Quebec Region and will be sent to other employees who may qualify as to language requirements.

- (b) Providing sufficient notice of an impending vacancy has been received, a posting will be issued up to six (6) months prior to the position becoming vacant and every effort will be made to post the impending vacancy no later than three (3) months prior to the position becoming vacant. Where an employee gives notice of his/her intent to retire at the completion of a leave of absence or vacation scheduled to end on a date coincident with his/her intended retirement date, he/she will be requested to sign a termination agreement which will then allow the Employer to fill the impending vacancy, on a permanent basis, prior to the incumbent's effective date of retirement. The vacancy will only be filled prior to the date of retirement where the termination agreement has been signed by the employee.
- (c) When the Employer can reasonably expect a newly-created temporary position or a temporary vacancy within the CSU bargaining unit to last longer than twelve (12) months, the Employer will temporarily fill the vacancy through the posting procedure. Temporary vacancies in the CSU bargaining unit, which the Employer can reasonably expect to last longer than twelve (12) months due to sick leave or other authorized leave of absence, will also be filled temporarily through the posting procedure.

In the event the said vacancy is temporarily filled by an existing employee through the posting procedure, the Employer is not responsible for said employee's moving costs and is responsible for his/her accommodation costs only to the following extent:

- (i) For the first thirty (30) days, payment of 100% of hotel room, single occupancy.
- (ii) For the next thirty (30) days, payment of 50% of hotel room, single occupancy.
- (iii) For the next thirty (30) days, a living-out allowance of one hundred dollars (\$100.00) per week will be reimbursed to the employee.

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES (cont'd)

- (iv) In the event that the employee decides to take up temporary accommodation other than a hotel room within the first sixty (60) days (i.e. an apartment or a commercial rooming arrangement), the employee will be reimbursed a proportionate amount of rent or lodging costs for the remainder of those sixty (60) days. For example, if an employee moves into an apartment at the forty-five (45) day mark, 50% of one-half of the first month's rent or lodging costs will be reimbursed.

And the subsequent temporary vacancy thus created will not be subject to the posting procedure.

In cases where a temporary vacancy is being filled through the posting procedure, the Employer may nevertheless fill it without recourse to the procedure while the procedure is being carried out.

- (d) When opportunities for temporary assignments and/or temporary vacancies arise in the bargaining unit, which can reasonably be expected to go beyond three (3) months (but that do not fall under Article 11.01(c) of the collective agreement), the Employer will inform staff within the region of such opportunities, by circulating notice within the offices in the region, outlining the details of the assignment.

Staff will be required to make their interest in such opportunities known to the appropriate director(s) in writing, and any resulting reassignment will be determined in consultation with the Department of Organizing and Regional Services and/or other national department affected. Reassignments will be made taking into consideration seniority, qualifications, and costs.

11.02 Information in Postings

Such notice shall contain the following information:

Nature of position, qualifications, required knowledge and education, skills, wage or salary rate or range and location. The posting shall reflect the job content. Such qualifications shall not be decided in an arbitrary or discriminatory manner.

11.03 Method of Making Appointments

- (a) In filling vacancies, appointment shall be made of the applicant with the greatest seniority from among those meeting the required qualifications to perform the duties of the position. Both parties recognize the principle of promotion within the service of the Employer and that job opportunity should increase in proportion to length of service. When the successful applicant is an internal applicant, the appointment shall be made within thirty (30) days of the closing of the posting. Where the Employer finds that it is not possible to make the appointment within thirty (30) days, they will consult with the Union.

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES (cont'd)

- (b) The National Officers shall select the successful applicant and shall inform the unsuccessful applicant(s) in writing, setting out the basis for being denied the position. The successful applicant shall be provided with necessary training that will better himself/herself in the discharge of the position's duties.
- (c) At the time a permanent position is posted, temporary employees shall be credited with seniority pursuant to Article 10.02 (b) for the purpose of appointment or promotion to that position. Further if no longer in the employ of CUPE they may use their accumulated seniority to bid for a posted vacancy for a period of up to eighteen (18) months following the termination of their last appointment.
- (d) The senior qualified applicant will be appointed to the position provided they agree to take up/assume the position within 3 months from date of notification that they are the successful applicant, pending CUPE's operational requirements.
- (e) A temporary employee, upon appointment to a permanent position within the CSU bargaining unit must remain in that position for one (1) calendar year. This does not prevent such employee from being considered the successful applicant for any other position within the CSU bargaining unit, prior to the completion of the calendar year. If successful, the employee will not move to the position until the completion of the year.
- (f) **Offer of Appointment**
 - 1. When a position is posted and the senior applicant withdraws his/her application prior to being appointed, the position will be awarded to the next senior qualified applicant from amongst the original applicants.
 - 2. When a position is posted and the senior applicant refuses the offer of appointment, the position will be awarded to the next senior qualified applicant from amongst the original applicants.
 - 3. When the senior applicant accepts the offer of appointment, as per the proposed form and later wishes to withdraw, said position will be reposted.
 - 4. The acceptance of offer of appointment form will not be used against an applicant who later wishes to withdraw.
- (g) **Executive Assistant Appointments**

Notwithstanding Article 11.03 (a) above:

 - (i) The parties to this Agreement agree that the National Officers have the right to appoint their respective Executive Assistants who shall serve in these positions at the discretion of the respective National Officer, notwithstanding the provisions regarding seniority, promotion and staff changes, lay-off and recall, including transfers outside the bargaining unit (COPE Local 491), and term employees (CSU National Office Component and CEU).

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES (cont'd)

- (ii) An employee appointed as an Executive Assistant from within the service of the Employer may bid for any posted position at any time, or may return to the last permanent position held, or may be returned to the last permanent position held at the discretion of the respective National Officer, and at the rate of pay for the position the employee is returned to.

In the event that an incumbent in an Executive Assistant position returns to the last position held, any other employees temporarily promoted or transferred because of the rearranging of the positions will also be returned to their previous permanent positions, and their salary will be adjusted to the appropriate increment in the former position.

- (iii) An employee appointed as an Executive Assistant from within the service of the Employer shall continue to accumulate seniority, and may bid for vacant positions or may bump in a lay-off, consistent with the seniority.
- (iv) A person appointed as an Executive Assistant from outside the service of the Employer shall accumulate seniority, which may be used only for the purpose of bidding for a posted vacancy for a period up to three (3) years following the termination of their appointment.

The provisions of Article 9.07 of the CEU collective agreement do not apply.

11.04 Trial Period

- (a) The successful applicant to a promotion or transfer to a position where the duties are significantly different shall be placed on trial for a period of six (6) months. If both parties agree the trial period may be reduced or extended. Conditional on satisfactory service, such trial transfer/promotion shall become permanent after the period of six (6) months.

In the event the successful applicant proves unsatisfactory in the position during the aforementioned trial period, or if the employee finds himself/herself unable to perform the duties of the new job classification, he/she shall be returned to his/her former position without loss of seniority and his/her salary will be adjusted to the appropriate increment in his/her former position.

Where there is a possibility of such reversion arising, the possible financial implications of such reversion will be discussed with the relevant employee(s), and arrangements will be put in place to minimize the possible cost to the Employer (e.g. moratorium on selling/buying houses, moving, etc.).

- (b) Any other employee promoted or transferred because of the re-arrangement of positions shall also be returned to his/her former position without loss of seniority and his/her salary will be adjusted to the appropriate increment in his/her former position.

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES (cont'd)

- (c) In the case of a position left vacant due to the promotion of an employee to the position of Regional Director, that vacant position shall not be filled permanently until the successful applicant has completed his/her trial period.

11.05 New or Reclassified Positions

Where new positions are created within the bargaining unit, or current positions reclassified, the Employer will advise the Union in advance of the nature of the position and the proposed wage or salary rate. Should the Union object to any changes and the parties are unable to reach agreement in any dispute that may arise, such dispute shall be resolved in accordance with the Grievance Procedure. The new rate shall become retroactive to the time the position was first filled by an employee.

11.06 Union Notification

The Union shall be notified of all appointments, hirings, lay-offs, transfers, leaves of absence in excess of three months, recalls and terminations of employment within the bargaining unit.

11.07 Relieving Pay

When an employee is assigned to relieve in a higher position and performs the normal duties of that position, he/she will receive the rate of pay for the position.

- 11.08** Notwithstanding anything else in the Agreement, the provisions of the moving expenses policy will not apply in cases where an employee who is appointed to a permanent position subsequently applies for and is awarded a vacancy or a new position (except one that represents a promotion) which is posted within two (2) years of the start date of the initial permanent appointment.

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES (cont'd)

11.09 Working Knowledge of Second Language

- (i) A lack of working knowledge of a second language should not bar an otherwise qualified applicant where such applicant shows willingness and demonstrates an ability on an objective basis to learn the second language. Such applicant must also agree that he/she will demonstrate a working knowledge of the second language within twenty-four (24) months, if appointed. The Employer and such applicant, if appointed, shall establish an education program to achieve this end, which may include evening courses, tutoring, as well as paid leave(s) of absence.
- (ii) The successful applicant shall be appointed but not transferred to the position until he/she can successfully demonstrate that he/she has attained the working knowledge of the second language (maximum period 24 months). In the interim period, the Employer shall offer the position to the next qualified candidate on the list who meets the language requirements of the position.
- (iii) If the working knowledge is not achieved by the end of the 24-month period, or if the employee finds himself/herself unable to attain the working knowledge, the position will be reposted and only candidates who can meet the language requirements will be considered regarding this posting.
- (iv) Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to his/her former position without loss of seniority and his/her salary will be adjusted to the appropriate rate in his/her former position.

ARTICLE 12 - LAY-OFF AND RECALL PROCEDURE

12.01 Both parties recognize that job security should increase in proportion to length of service. If there is to be a reduction in the number of personnel within the bargaining unit, the Employer will give the Union as much advance notice as possible and discussion will begin to determine what should be done with those employees whose positions become redundant. Employees shall be laid off in reverse order of seniority and shall be recalled in the order of their seniority provided they are qualified to perform the work. No new employees will be hired until those laid off have been given an opportunity of employment.

Permanent employees with two (2) years' or more of seniority at the time of issuance of a notice of lay-off by the Employer will not be laid off. In the event of lay-offs, temporary and term employees will be laid off prior to any permanent employees.

12.02 Notice of Lay-Off

- (a) The Employer shall notify permanent employees who are to be laid off a minimum of three (3) months before the lay-off is to be effective. If the employee laid off has not had the opportunity to work three (3) months after notice of lay-off, he/she shall be paid in lieu of work for that part of the three-month period during which work was not made available.
- (b) Temporary and non-permanent employees who are to be laid off, shall receive notice or pay in lieu of notice, as follows:

Should the assets transferred be insufficient, the employee will be allowed to make additional contributions to the CUPE Pension Plan as required by the trustees and which are allowed by government legislation.

- (i) increased contributions to the Plan;
- (ii) use of severance pay.

If consultations with the CUPE Pension Plan Actuaries confirm that certain employees will be prevented from participating in the buy-back or reciprocal agreements, those employees shall have the option of using severance and/or individual contributions, in order to purchase annuities to cover the years worked with a previous employer where no pension plan was available.

- The bridge benefit will be subject to the present $\frac{1}{4}\%$ per month reduction for each month that retirement precedes age 60.
- (e) The Pension Plan shall provide that, if at any time the going concern assets of the fund exceed the going concern liabilities, the dispositions of such excess (surplus) shall be determined through collective bargaining. APPENDIX "C" - LETTER OF UNDERSTANDING - VACATION USE AND ACCUMULATION

Long recognized is the fact that vacation should be taken as earned, so that a person can, through rest and relaxation away from the stress of the work site, re-establish an improved health and mental attitude.

Vacation entitlement may only be carried over when written permission is requested and allowed by the employee's supervisor and should be allowed only under extreme circumstances such as a strike situation when a settlement requires a Representative's attendance.

Where vacation has been accumulated, steps should be taken to reduce such by the taking of a reasonable portion of such, in addition to an employee's annual vacation credits, with the goal being to eliminate the vacation accumulation, (e.g. one (1) week of accumulation to be taken in addition to earned credits). However, employees shall be allowed to retain a "balance" or "float" of their accumulation.

When an employee in a permanent position is about to take approved vacation lasting three (3) consecutive weeks or more, adequate replacement will be provided if such replacement is requested by the employee or the Employer.

Requests for vacation replacement will be responded to in sufficient time to allow the employee to appeal the decision to the Workload Complaint Committee who will resolve the matter prior to vacation commencement.

The above notwithstanding, the Employer may activate the Workload Complaint Committee should it determine that replacement is not required in single representative offices, in cases of approved vacation lasting 3 consecutive weeks or more.

Should the Committee not meet or make a decision at least four (4) weeks prior to vacation commencement, replacement shall be provided.

APPENDIX "D" - LETTER OF UNDERSTANDING - REGIONAL TEMPORARY STAFF

Temporary staff with at least eighteen (18) months of service who are not working, will receive first consideration for reassignment within their Region, providing they are available for work and taking into consideration seniority, qualifications and costs.

APPENDIX "E" - LETTER OF UNDERSTANDING - EMPLOYEE ASSISTANCE COMMITTEE

It is agreed and understood by the Canadian Union of Public Employees and the Canadian Staff Union that the present Employee Assistance Committee shall be expanded to include three (3) representatives named by the Canadian Staff Union.

The Employee Assistance Committee shall enjoy the full support of the parties.

The Committee shall be given the responsibility to develop and design a program or programs which will recognize the many work-related problems that are caused by the type of work stresses brought about by employment in this field.

The Committee shall be set and meet as soon as possible and as often as necessary to achieve its objectives.

The Committee shall report its findings and recommendations to the parties on or before December 31, 1980.

The program and procedures, once approved by the National Executive Board and the Unions, shall be fully supported by the parties.

APPENDIX "F" - LETTER OF UNDERSTANDING - INDEXING

Pensions of all persons in receipt of pension benefits pursuant to the CUPE Employees' Pension Plan will be adjusted on an annual basis pursuant to the Pension Plan Text, as amended by the Settlers from time to time.

When and if the present C.P.P./Q.P.P. is adjusted as a base of the pension, joint discussions will be held to discuss possible impact on the application of indexing set out above.

The parties agree that the cost of ad hoc indexing shall be paid from the Pension Fund in accordance with Section 13.4 of the Pension Plan.

Employer contributions are determined pursuant to Section 4.5 of the Pension Plan.

APPENDIX “G” – LETTER OF UNDERSTANDING – PENSION ISSUES

1. Effective January 1, 2012, CUPE and the pension plan members will each increase their contributions to the plan by 1.2% of pensionable earnings. Adjust the LTD benefit by 1.2%.
2. The parties will request the Joint Board of Trustees to adopt smoothing methods to value solvency assets and liabilities as at January 1, 2011.
3. CSU will support an application and arrangements to exclude or exempt the pension plan from the solvency funding requirements.
4. If the parties are successful in achieving exclusion or exemption from solvency funding requirements, the pension plan text will be amended to recognize indexing payable effective January 1st, 2012 of the % of the previous year’s CPI increase, where the % is as determined through calculations performed by the CEPP actuary for the Joint Board of Trustees (JBT) and if approved by the JBT as being sustainable for the future lifetime of all existing retirees and active plan members in respect of their accrued service based on the balance of the going concern surplus after financing of the costs related to the current pension benefits.
5. The parties agree to meet, with appropriate professional assistance, to discuss possible pension plan design changes related to indexing.
6. In the event of plan windup, the pension benefit would be subject to the funding position of the plan. CUPE further agrees to top up any pension benefit deficiency from assets outside of the CEPP, to the extent permissible by all relevant statutes.
7. The parties agree to request through the co-chairs of the JBT, that the JBT provide all necessary financial resources for settlers to prepare and process an application for solvency exemption.
8. The following provisions of the March 2007 Memorandum of Agreement will be renewed, however, for clarity, will terminate upon receipt of confirmation of solvency exemption from the Financial Services Commission of Ontario (FSCO):

Pension Funding Issues and Actuarial Valuations

The parties agree that the proper funding of the plan is in the interests of all plan members and the parties.

The parties agree to monitor the funding status of the plan and if necessary recommend changes in actuarial assumptions; and should the plan not be properly funded, the parties will meet to negotiate a resolution to the funding problems, which will include the following: the application of Appendix “U”; increases in employer and employee contributions; benefit adjustments, excluding the lifetime pension. One or a combination of the foregoing will be implemented to ensure proper funding of the Plan.

APPENDIX “H” – LETTER OF UNDERSTANDING – LOSS OF SENIORITY

Employees who occupy a position temporarily vacant within the CDU bargaining unit shall not lose their seniority for a period of twelve (12) months. This period may be extended, on an exceptional basis, following agreement between the parties. Such agreements shall not be arbitrarily withheld.

Employees shall only lose their seniority in the event that they obtain a permanent position within the CDU bargaining unit, after six (6) months following the commencement of their permanent appointment.

APPENDIX "I" - LETTER OF UNDERSTANDING - USE OF SURPLUS FOR BRIDGING

After funding the improvements in maximum pension and bridge benefits, the first priority for going concern actuarial surpluses, both current and future, will be to allocate them to the benefit of plan members until indexing at the rate of 100% of expected future CPI increases for the future lifetime of pensioners and active plan members in respect of their accrued service is fully funded.

In addition to the provisions set out herein above for the requirement for funding of indexation, the parties may agree in collective bargaining to make use of available current and future surplus in order to improve the bridge benefit.

Improvements in the base bridge is a joint objective. This may include offering a bridge up to the maximum bridge that is currently given to employees who were active members of the plan prior to December 31, 1997.

APPENDIX "J" - LETTER OF UNDERSTANDING - WORK REINTEGRATION AND L.T.D. BENEFIT-RELATED ISSUES

The parties agree that a Joint Ad Hoc Committee composed of one (1) representative from CSU National Office Component, one (1) representative from COPE Local 491, one (1) representative from CSU and three (3) CUPE representatives review and make recommendations on work reintegration related issues and L.T.D. benefit-related issues, including the following:

- The completion/filing of L.T.D. claims;
- The reduction or cessation of benefits;
- Early intervention programs;
- L.T.D. advance payments including the recovery of advance payments where L.T.D. claims are not approved;
- Alternate methods to deal with income tax issues related to either the approval of L.T.D. benefits from Great West Life or the recovery of L.T.D. advances; and
- Work accommodation, work reintegration.

The Committee will endeavour to jointly develop and implement within six (6) months of ratification a Work Reintegration and Accommodation Program.

APPENDIX "K" - LETTER OF UNDERSTANDING - LONG TERM DISABILITY

The parties recognize that the current LTD Plan is administered through an ASO agreement. For the period of time that the Plan is administered through the aforementioned ASO agreement, CUPE agrees to amend the current LTD Plan disability definition, for CSU members, to allow for eligibility for LTD benefits when medical evidence supports an employee's inability to perform the required functions of their assignment. It is understood and agreed that the change in definition is not intended to eliminate the differences related to "own occupation" and "any occupation" considerations covered in the LTD Plan. The current practice in the application of LTD coverage after 24 months will continue.

Following the 60-calendar day waiting period, an employee will be considered disabled and eligible for LTD benefits if it is determined that the employee cannot perform the required functions of their assignment, based on the medical information provided.

To determine the required functions of an employee's assignment, the LTD claim forms (forwarded following three weeks of continuous sick leave) will include a description/statement of the employee's assignment, to be completed by the employee and/or the Regional Director. This information will allow both the employee's physician and Great-West Life to determine whether an employee is unable to perform the required functions of their assignment. This will also allow CUPE to determine if the assignment can be modified to enable the employee to continue working in a full-time assignment.

APPENDIX "L" - LETTER OF UNDERSTANDING - BRIDGE BENEFIT

The parties agree that members actively contributing to the pension plan as of December 31, 1999 and not covered by the 1997 bridge and who retire between the date of ratification of this collective agreement and December 31, 2009 will be entitled to a top up of the new bridge up to no more than the maximum bridge benefit they would otherwise be entitled to under the old bridge.

APPENDIX "M" - LETTER OF UNDERSTANDING - WORK REINTEGRATION PROGRAM

CUPE and CSU are jointly committed to facilitating the reintegration of employees who have suffered a temporary disability/illness back into the workplace. As a result, the Employer and the union will implement a work reintegration program to assist ill/disabled employees in their return to work based on the reintegration needs of the returning employee. It is understood that work reintegration will not normally exceed two (2) months.

Upon a request by an employee to return to work with modified duties, as recommended, in detail, through the information provided by his/her personal physician or counselor with respect to their restriction(s), a representative of the union, the employee's Director (or designate), an Employer representative and the returning employee, will meet within 10 days to review the reintegration needs of the employee. These may include an orientation to changes in the workplace, training on any changes to the work that have occurred while the employee was off and a gradual return to full-time duties.

APPENDIX "N" - LETTER OF UNDERSTANDING - EMPLOYMENT EQUITY

A joint Employment Equity Committee, consisting of one (1) member appointed by each of the Unions and three (3) members appointed by the Employer will be established upon ratification of the collective agreement and will meet regularly in order to complete a set of recommendations to deal with recruitment, hiring, training and promotion of the target groups, i.e., women; workers of colour; Aboriginal workers; workers with disabilities; gays, lesbians, bisexual and transgendered workers, which will be forwarded to the CUPE National Officers and to each of the Union Executives for consideration.

The Employer will assume all costs related to the functioning of the Committee, and agrees to provide information necessary to the Committee in order for it to fulfill its mandate.

**APPENDIX "O" - LETTER OF UNDERSTANDING - PENSION SURPLUS AND CEU
PENSION TRUSTEES**

1. Notwithstanding the voluntary recognition afforded to the CEU in the CSU, CSU National Office Component, COPE Local 491 collective agreements, the parties agree that this in itself does not recognize CEU as the successor to ATSU for the purposes of the Trust Agreement document.
2. The Employer agrees that it shall not voluntarily take a contribution holiday.

APPENDIX "P" - LETTER OF UNDERSTANDING

The parties agree to schedule two meetings per year, on a trial basis, to attempt to resolve outstanding grievances, one (1) before June 15, and one (1) before December 15.

APPENDIX "Q" - LETTER OF UNDERSTANDING - CUPE PENSION PLAN BENEFIT

A one time payment each year shall be paid from the CUPE Pension Plan surplus to provide for a minimum annual CUPE Pension Plan Benefit of \$15,000 to retirees whose annual CUPE Pension Plan Benefits are less than \$15,000. The above notwithstanding such payments shall be made only to those retirees who received a similar payment in 1999.

APPENDIX "S" - LETTER OF UNDERSTANDING - EXPEDITED GRIEVANCE PROCEDURE

(Re: Articles 25.02 and 25.03)

1. CUPE and CSU agree that the purpose of this Letter of Understanding is to establish an expedited dispute resolution process for grievances under Articles 25.02 and 25.03 of the Collective Agreement. For the duration of the Letter of Understanding, this process is in lieu of the grievance procedure in Article 8.
2. The notice to the Manager of Human Resources shall include a description of the circumstances giving rise to the complaint. APPENDIX "T" - LETTER OF UNDERSTANDING - RE: WORKLOAD/WORK DISTRIBUTION

It is recognized by the Parties that workload is a serious concern of the parties, and must be monitored and addressed on an ongoing basis.

It is further recognized that organization/assignment of work is an integral part of the overall workload issue.

It is agreed that employees will have greater latitude and influence in determining their work assignments.

Knowledge of the number of Locals, the number of members, the number of arbitrations, status of collective bargaining, amount of driving, linguistic skills, availability of replacement coverage for LOA's, vacation, etc., committee work of employee, number of campaigns/projects, work overload due to volume and time constraints, other duties/undertakings of employee, CSU activity, technological expertise and other criteria will have to be considered in the assignment of work.

It is agreed and without overly restricting Management's rights, that the normal process will require that the servicing representatives assigned to an office shall meet to review and propose individual work assignments, i.e. N-19's, that will result in an equitable distribution of the work assigned to the particular office. The same process is applicable to representatives who are not assigned an N-19.

The appropriate Director will review the proposed N-19's and/or distribution of work with the view to implementing the proposed work assignments where these are workable and can meet the needs of CUPE and the individual employees, effectively and efficiently.

The final decision regarding N-19 assignments and work distribution will rest with the Employer.

Work assignments will be reviewed semi-annually by the Regional Staff Development Committee, with minutes of the semi-annual meeting sent to the parties within ten (10) days of the meeting.

APPENDIX "U" - LETTER OF UNDERSTANDING - PENSION FUND SOLVENCY

The parties agree that in the event that solvency deficiencies will require CUPE to make "special payments" into the pension fund, notwithstanding that surplus may exist on a going concern basis, these payments plus interest at the rates earned on the fund in each year, (net of investment expenses) shall not be used for the purpose of improving pension benefits, unless otherwise unanimously agreed by the parties, but rather shall be returned to CUPE in the form of reduced contributions, when the deficiencies have been eliminated. This will not be deemed to the taking of a voluntary contribution holiday pursuant to the terms of Appendix "O".

APPENDIX “V” - SOLVENCY DEFICIENCY

CUPE, CSU and COPE491 will meet as necessary during the operation of this Agreement with actuarial and legal services, as required, to identify potential approaches to mitigate or eliminate solvency funding requirements for CEPP so as to facilitate restoration of pension indexing.

The CEPP Joint Board of Trustees will be asked to have their actuary and legal counsel, as appropriate, participate in this process.

Each party will bear their respective costs of this process, except to the extent that the Joint Board of Trustees agrees that some or all the costs be paid from the CEPP Pension Fund.

APPENDIX “W” - LETTER OF UNDERSTANDING - CRA MAXIMUM PENSION

Effective January 1, 2006 the lifetime pension maximum increased to the CRA maximum for all past and future service.

APPENDIX “X” - LETTER OF UNDERSTANDING - APPLICATION OF ARTICLE 18.02(d)

The parties agree to the following for the purposes of clarifying the administration of Article 18.02(d), as amended in the Memorandum of Agreement signed by the parties on September 25, 2003.

The Pension Plan shall include a permanent bridge benefit equal to the maximum allowable under the legislation for all employees who were active members of the pension plan as of December 31, 1997. The parties agree that only CUPE service will be considered in determining individual employee bridge benefit entitlements for those eligible employees who became active members of the pension plan after December 3, 1996.

Employees who were active members of the pension plan on or before December 3, 1996 shall continue to have all pensionable service including CUPE pensionable service and pensionable service transferred into the CUPE Pension Plan considered in determining individual employee bridge benefit entitlements.

APPENDIX “Y” – LETTER OF UNDERSTANDING - PROVINCIAL CERTIFICATIONS AND CONTINUED COLLECTIVE BARGAINING

The parties hereby agree that:

1. CSU will confirm that each of its units and/or locals have agreed to participate in the negotiation and implementation of a Master Collective Agreement.
2. They will advise any Labour Relations Boards where the Canadian Staff Union may have a future application for certification that the agreed to Bargaining Unit description is:

“All employees of the employer primarily based in the Province of _____, except those employed as Regional Director or Assistant Regional Director, clerical employees and those excluded by the applicable provincial statute.”
3. Employees employed as a Legal and Legislative Representative in each province will continue to be voluntarily recognized and included in the respective Provincial Bargaining Units where these positions would otherwise be excluded by the applicable provincial statute.
4. In the event of any future Labour Board applications for certifications with the CSU, the parties will be guided by #1 and 2 above.
5. Bargaining subsequent to the 2014 to 2015 CSU Collective Agreement will continue to occur at one table, on a National level, and will form the agreement pursuant to each Provincial Certification. CSU agrees that it will have at least one representative from the bargaining unit in Newfoundland Labrador on its bargaining committee pursuant to section 76 (3) (a) of the Newfoundland and Labrador Labour Relations Act.
6. It is agreed that the National CSU Collective Agreement will be applied as the first Collective Agreement (hereinafter “Provincial Agreements”) in those provinces where certifications are granted in the future.
